INTRA ORAL SCANNER FESTIVAL – #IOSF1

An international event bringing together dentists from all over the world to explore the present and future of intraoral scanning, alongside some of the leading global experts in the field.

Set in the unique atmosphere of the Motor Valley, the event combines high-level scientific content with an unforgettable experiential dimension.

Participants will have the opportunity to engage with cutting-edge technologies while living an exclusive "Ferrari-style" experience, including a pit stop challenge and immersive F1 simulators — where precision, speed and performance meet dentistry.

The experience will culminate in a gala dinner in an extraordinary location surrounded by vintage cars, iconic motorcycles and rare collector's pieces, where guests will enjoy the finest local cuisine in a truly unique setting.

#IOSF1 is not just an event — it's where innovation, performance and experience come together.
